City of Delray Beach  
Veterans Park  
Recreation Center  
802 NE 1st. Street  
Delray Beach, FL. 33483

**To Attend on-line:**  
<https://bit.ly/31yNcL0>

# Background

The City of Delray Beach's Historic North Swinton Avenue is experiencing pavement deterioration including uneven surfaces of the roadways, asphalt cracking and accelerated deterioration adversely impacting roadway stability and rideability. This has increased maintenance and shortened the lifespan of resurfacing projects. Utility infrastructure within the corridor is at varying levels of age and condition and any required utility upgrades are to be incorporated into the design of the improvements as part of this project.

The reconstruction will include safety, access, utility and landscaping improvements from Lake Ida Road to SW 36th Street. The City of Delray Beach is in the preliminary phase of design and encourages residents to attend and to provide feedback on improvements early in the design process.
